From United Association Plumbers & Steamfitters Local 773

Michele Madigan, Commissioner of Finance for the City of Saratoga Springs has been a strong advocate for United Association Plumbers & Steamfitters Local 773 during her commendable, four consecutive terms in office, and without a doubt, Commissioner Madigan understands the value Local 773 and its members offer in the Plumbing and Pipefitting Industry through her support of Project Labor Agreements. She also sees our never-ending commitment to providing the best trained workers in our Industry as she helped provide us with Apprenticeship language. She also knows the importance of providing living wages and benefits. Local 773 chartered in Glens Falls, NY on April 12, 1919 and without the help and vision of supporters like Michele, we wouldn't be where we are today, therefore, we proudly endorse Michele Madigan for Finance.

SCOTT D. MARTEL

Business Manager/Financial Secretary-Treasurer
